

## COMMUNITY POOL ATTRACTION POLICIES

### GUEST RESPONSIBILITY

There is a risk in the participation of water slides and other attractions, and such participation may be hazardous regardless of safety measures undertaken by Payson City. All guests using the pools, water slides, and all other attractions, accept any and all risks in participating in Payson water park activities. Guests have a duty to exercise good judgment and act responsibly while using pool attractions and facilities. Guests will be expected to obey all pool rules, written and oral. Guests need to recognize that forces created by slides and attractions may cause or aggravate some adverse physical conditions and could injure people who are unable to deal with such forces.

### WATER SLIDE RULES

- Guest must be 48" tall to ride the two larger slides
- Children cannot be caught at the bottom of the slides, Lifeguards will assist if needed
- Guests should be prepared for strong forces in all directions from turbulent currents, there is a heightened risk of head, neck, and back injury
- Guests are to wait for lifeguard's signal before entering and going down slide
- Guests are required to remain sitting feet first while going down both slides
- Trains, chains, spinning, slowing, and stopping are all prohibited, guests must exit the pool run-outs immediately and are prohibited from blocking the slides
- Eyeglasses, sunglass, hats, lifejackets and goggles are NOT allowed to be worn down the slides
- Spitting, dropping, or throwing objects from the tower is strictly prohibited and is grounds for removal without refund.

The Following May NOT Ride Any of the Water Slides:

- Guest who do not meet the 48 inch height requirement
  - Women who are pregnant (Please notify a lifeguard and do not ride the slides)
  - Guests with Heart Conditions and Guests with Neck and Back problems
  - Guests subject to motion sickness and/or vertigo
  - Guests whose health and physical condition will be affected by riding the slides
  - Guests with a cast or brace
  - Guest with prosthetic limbs may ride if a waiver is signed prior to swimming
- \* (All Guests should immediately report all injuries to the First Aid Station) \*

### LAP POOL RULES

- Children 8 and under must be accompanied by a guest 18 or older at all times
- Any person who is not capable of swimming independently in the deep end should not use the diving board and should swim only in the shallow end.
- One person on the diving board at a time and only one bounce on the diving board
